@clifford_young1

Greetings Key Clubbers,

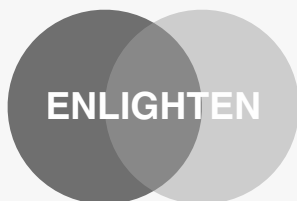

Welcome to the 73rd International Convention in the peachy state of Georgia! I am excited to embark on a week-long celebration of our service to our homes, schools, and communities. Throughout the year, Key Club has achieved record breaking membership, expanded to new countries, and raised more money for charity than any year prior.

In order to continue expanding our service and impact upon communities around the world, we need a leader who can build upon our accomplishments in the coming year. As a past Club President, Lieutenant Governor and International Trustee, my experiences have prepared me to be the leader who continues our growth and achievement in the future.

If elected, the importance of our service and the voices of our members will be the guiding principles of my term. Throughout the week in Atlanta, please don't hesitate to ask me any questions or say hello! I hope you enjoy Convention and make the most out of your time in Atlanta.

Yours In Care and Service,

Clifford Young

Refine relationships with non-districted Key Clubs in order to improve support.

Intensify the tangible impact of Key Club members by focusing efforts on service initiatives.

Recognize members' dedication at the international level with a Distinguished Key Clubber award.

Collaborate with Districts to enhance Kiwanis Family relations.

Promote resource distribution to ease the transition through the Kiwanis Family.

Inspire our organization with stories of incredible service that fulfill our mission.

Overhaul the trustee-officer-member relationship via social media platforms.

Maximize the voice of the member by more effectively distributing surveys.

Present District projects and achievements on keyclub.org
